

Options & Accessories

Two heads are better than one! Add an additional **interchangeable head and hands** — male or female, human or animal, Caucasian, African-American or Hispanic. \$425

Water Squirter — squirts a stream of water wherever your robot looks. Can be built into most vehicles and is operated by remote control. \$80

Built-in, **15" to 19" LCD TV and CD/DVD** player, including sound amplification system, operates with standard remote control. Available only in select larger vehicles. Your audience will be amazed to see the TV screen appear and 'disappear'. Plays standard CDs and DVDs. Screen size is dependent on product availability and the size of the vehicle chosen. \$1250

Voice Modifier — raises or lowers the pitch of the operator's voice. Built into the robot and operated by remote control. \$250

Set of 6 **Traffic Signs** — Includes Stop Sign, Speed Limit 25, One Way, Railroad Crossing, Yield and School Crossing. 30" tall pole and plastic base. \$75

Extra Battery Package — Includes an extra robot battery, transmitter battery, transceiver battery, and extra chargers for your robot, transmitter and transceiver. Ideal for all-day events, parades, etc. \$175

Costumes —

- Flight Suit \$120
- Police Uniform \$100
- Astronaut Suit \$120
- Railroad Suit \$100
- Lab Coat \$55
- Turnout Gear \$125

Our **Shipping & Storage Cases** are custom made to fit your vehicle and robot. The exterior is plywood covered with hard plastic and reinforced with aluminum corner pieces. Heavy duty wheels and latches. Foam interior. \$450—\$1250
